

WIS 60 RECONSTRUCTION

US 41 TO US 45

Public Information Meeting
June 29, 2010

Welcome to the public information meeting for the reconstruction of WIS 60 from US 41 to US 45. Representatives from the Wisconsin Department of Transportation (WisDOT) project team are available to address your questions and concerns. A comment form is attached on the last page of this handout for you to fill out and leave at the meeting or mail back at a later time.

Purpose of the meeting

- Present plans for the reconstruction of WIS 60
- Answer questions and concerns
- No formal presentation will be made but a roundabout video and display will be available

Features of the WIS 60 expansion project from US 41 to US 45

- Reconstruct WIS 60 to a 4-lane divided highway section
- Improve safety and operation of the existing intersections
- Construct roundabouts at the existing intersections of County C, Tillie Lake Road, the two US 45 ramp termini and at County C and American Eagle Drive

Construction schedule

- Construction is scheduled for 2011
- Construction will be staged under traffic between:
 - US 41 and County C
 - Tillie Lake Road and US 45
- The roadway will be closed to through traffic between County C and Tillie Lake Road with a posted detour
